

MEMORANDUM OF UNDERSTANDING FOR SCIENTIFIC COOPERATION

Between
Osteo Fertilizers, Bijnor
and

Department of Botany & Department of Chemistry, Gandhi Faiz-e-Aam College,
Shahjahanpur

Purpose

The purpose of this agreement is to promote cooperation in scientific communication and research between **Osteo Fertilizers (OF), Nithaur, Bijnor** and **Department of Botany, and Department of Chemistry, Gandhi Faiz-e-Aam College (GFC), Shahjahanpur**

Type of Cooperation

Through this memorandum of understanding, both Parties affirm the value of scientific collaboration and agree to promote the following activities.

1. Joint research plans in fields of mutual interests.
2. Exchange of Scientific ideas.
3. Opportunities for faculty and staff development and exchange.
4. Other activities as mutually agreed.

This agreement places no financial obligations or supplementary funding commitments on either Party. These activities will be defined through separate program agreements that detail the commitment of resources requirement by each Party. Subsequent program agreement must be approved in writing by the authorized representatives of each Party.

Mr./Dr. Awais Zaki of the Osteo Fertilizers, Nithaur, Bijnor will serve as the primary liaison between the two Institutions to facilitate the development of future activities.

Terms

This agreement will become effective upon the date of signature by both Parties. It shall remain valid for a period of two years from the last signature, with the understanding that it may be modified by written mutual consent of both Parties. This agreement may be terminated by either party with advance notice of at least thirty days. Upon notice of

termination both Parties (DF and GFC) agree to work in good faith to enable visiting scholars and faculty members to complete their respective research program unhindered by the termination

This memorandum of understanding completed in English is hereby signed in two copies with one copy remaining in the possession of each Party
